FOR IMMEDIATE RELEASE

Grand Opening for Artesia Community Support Center Set for May 9th

The City of Artesia is excited to announce the Grand Opening for the Artesia Community Support Center. This Center will focus on workforce development and start-up assistance, and will be a resource for everyone in Artesia to take classes, get help starting a business, receive job application and professional development help, and more.

Everyone in the community is invited to attend the Grand Opening event on Thursday, May 9th, from 5:30 PM to 7:00 PM at the Artesia Community Support Center, located in the Artesia Towne Center at 18163 Pioneer Blvd., Artesia, CA 90701. Attendees will have a chance to learn about the services the center will offer, speak with the partners that will be assisting the City in running the Center and offering resources to the Artesia community, tour the new facility and enjoy refreshments.

Opening the Artesia Community Support Center is a landmark event for the City of Artesia. The Center sets Artesia apart among its neighbors in its support for workforce development and business assistance in the community. The City of Artesia has been recognized by many organizations for its business-friendly practices, including the Los Angeles County Economic Development Corporation and the California Association for Local Economic Development, and looks forward to the positive impact the Artesia Community Support Center will bring to the local economy and the community.

Any questions about the Grand Opening can be directed to Jeremy Bates, Management Analyst at (562) 865-6262, extension 245, or at jbates@cityofartesia.us.

###

Located in southeast Los Angeles County, Artesia is a diverse, vibrant city with nearly 18,000 residents and a dynamic business community. The City of Artesia, a leader in sustainability practices and winner of two 2018 Beacon Spotlight awards, is focused on serving the community with sound governance, 21st century infrastructure, and a commitment to public safety.
