FOR IMMEDIATE RELEASE

City of Artesia Announces Graffiti Removal Pilot Program

On Monday, June 10, 2019, the Artesia City Council approved the Graffiti Removal Pilot Program. This Program will provide graffiti removal materials to homeowners in Artesia whose homes are frequently subject to tagging in order to help them keep their properties clean and the City beautiful.

Homeowners can apply to receive either graffiti removal materials, or to receive one of three standard paint colors to paint over the graffiti, at no cost. To receive supplies, residents need to fill out a simple online application form or to fill out a hard copy, available on the City website and at City Hall, Artesia Park, and AJ Padelford Park. “We’re always looking for ways to keep the City clean and beautiful and to help make it easier for residents to maintain their properties,” said Mayor Tony Lima, “and we believe this Program will accomplish both those goals for the community.”

Artesia homeowners can apply for supplies once every 12 months, and must demonstrate that the supplies are used to remove graffiti. Depending on the success of the Pilot Program, the City may consider expanding the Program to fund more supplies or to cover commercial properties in the future. If you have any questions about the Program or are interested in applying, visit the City’s website at www.cityofartesia.us, or contact Jeremy Bates at jbates@cityofartesia.us or (562) 865-6262.

###

Located in southeast Los Angeles County, Artesia is a diverse, vibrant city with nearly 18,000 residents and a dynamic business community. The City of Artesia, a leader in sustainability practices and winner of two 2018 Beacon Spotlight awards, is focused on serving the community with sound governance, 21st century infrastructure, and a commitment to public safety.
