### FOR IMMEDIATE RELEASE

City to Resume Enforcement of Paid Parking and Other Restrictions on July 13<sup>th</sup>

Due to State and County Stay at Home Orders throughout the last few months, the City of Artesia has not been ticketing for street sweeping or enforcing paid parking restrictions in Downtown Artesia since March. Next Monday, July 13<sup>th</sup>, the City will resume enforcement of these parking restrictions, and has been issuing warnings and informational flyers throughout the community since June 29<sup>th</sup> to alert the community to these changes.

Street sweeping is mandated by the State of California to avoid polluting the ocean by picking up trash from the gutter, and it is a general public health and quality of life service. Now that Stay at Home Orders have been relaxed, the City is resuming full street sweeping to more completely clean Artesia's streets, which means having vehicles off the streets during sweeping hours.

The City is asking residents this week to move vehicles as much as possible on street sweeping days to allow for full sweeps to take place, and reminds residents and visitors that in order to receive one hour of free parking per day per vehicle downtown that your ticket stub must be displayed on the vehicle's dashboard.
