

ORDINANCE NO. 22-930

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ARTESIA ADDING ARTICLE 8 (ADULT CANNABIS BUSINESS AND ACTIVITIES) TO CHAPTER 2 (BUSINESS PERMITS AND BUSINESS PERMIT FEES) OF TITLE 3 (FINANCE) OF THE ARTESIA MUNICIPAL CODE REGARDING ADULT CANNABIS BUSINESSES AND ESTABLISHING PERMIT CRITERIA AND REGULATIONS AND REPEALING CHAPTER 21 (COMMERCIAL CANNABIS ACTIVITY) OF TITLE 5 (PUBLIC WELFARE) OF THE ARTESIA MUNICIPAL CODE

THE CITY COUNCIL OF THE CITY OF ARTESIA FINDS AND DECLARES:

WHEREAS, pursuant to the authority granted to the City of Artesia ("City") by Article XI, Section 7 of the California Constitution, the City has the police power to regulate the use of land and property within the City in a manner designed to promote public convenience and general prosperity, as well as public health, welfare, and safety; and,

WHEREAS, on November 8, 2016, California voters passed Proposition 64, the Control, Regulate and Tax Adult Use of Marijuana Act ("AUMA"), legalizing the use and possession of cannabis and cannabis products by adults aged 21 years and older; and,

WHEREAS, on June 27, 2017, Governor Brown signed into law Senate Bill 94, which repealed the Medical Cannabis Regulation and Safety Act ("MCRSA"), included certain provisions of MCRSA in the licensing provisions of AUMA, and created a single regulatory scheme for both medicinal and non-medicinal cannabis known as the Medicinal and Adult-Use Cannabis Regulation and Safety Act ("MAUCRSA" or "Act"); and,

WHEREAS, MAUCRSA retains the provisions in the MCRSA and the AUMA that granted local jurisdictions control over whether non-commercial and commercial cannabis activities could occur in a particular jurisdiction. Specifically, California Business and Professions Code section 26200 provides that MAUCRSA shall not be interpreted to supersede or limit the authority of a local jurisdiction to adopt and enforce local ordinances that completely prohibit the establishment or operation of one or more businesses licensed under the state licensing authority and shall not approve an application for a state license for a business to engage in commercial cannabis activity if approval by the state license will violate the provisions of any local ordinance or regulation. State licensing authorities began issuing licenses to cannabis businesses beginning January 1, 2018; and,

WHEREAS, MAUCRSA establishes a regulatory structure for cultivation, processing, manufacturing, tracking, quality control, testing, inspection, distribution, and retail sale of commercial cannabis, including medicinal and adult-use cannabis. The Act designates applicable responsibilities for oversight of cannabis commerce to several State agencies; and,

WHEREAS, in November 2020, Artesia voters approved Measure Q, a ballot measure that would allow for certain taxes to be collected from the cultivation and sale of cannabis in Artesia if the City Council were to lift the current prohibitions on medical and commercial cannabis activities in the City; and,

WHEREAS, since November 2021, at the direction of the City Council, an ad-hoc committee of the Council has worked on a draft ordinance that would regulate and provide the permitting process for cannabis sales and businesses within the City. A draft of the regulatory ordinance was reviewed at a Town Hall meeting held on July 6, 2022, at which time additional input was received from the public, and direction was provided by the City Council; and,

WHEREAS, this Ordinance will allow up to three retail cannabis businesses to operate within the City. Any applicant that was chosen to be issued a permit would go

through a rigorous application process that would take into account, among other things, the applicant's experience, background, and ability to contribute to the community; and,

WHEREAS, the community benefit requirement reflects that retail cannabis uses are unique and fairly new operations that involve the sale of a controlled substance to adult users. These uses have the potential for causing negative secondary effects within the community. Members of the public have raised concerns about, among other things, increased crime and potential effect on children. While many of those secondary effects are addressed through the regulatory agreement, the community benefits that a permittee would provide would further mitigate and alleviate those secondary effects; and,

WHEREAS, the Council will adopt a scoring criteria by which applicants for permits would be evaluated. After the applicant evaluation and scoring, the City Manager will issue permits to up to three candidates. Authorizing the City Manager to make the final decision is deliberate and intended to alleviate undue pressure on the Council from applicants or outside parties; and,

WHEREAS, due to the administrative costs associated with processing applications and evaluating applicants, applicants will each pay a non-refundable application fee to cover the cost of the application review, as well as provide a deposit from which the City may draw, as necessary; and,

WHEREAS, the physical layout and design must substantially comply with what is provided in the applications. This is to prevent applicants from submitting design plans and concepts during the application period and then seeking to implement inconsistent or substandard design features after awarding of the permit; and,

WHEREAS, on August 30, 2022, the Planning Commission held a duly noticed public hearing to consider a zone text amendment that would permit retail cannabis within portions of the Commercial General and Commercial Planned Development Zones, as well as in portions of the Artesia Boulevard Specific Plan, Artesia Boulevard Corridor Specific Plan, and South Street Specific Plan areas which are south of California State Route 91. After conducting the public hearing at which members of the public were afforded an opportunity to comment, the Planning Commission adopted Resolution No. 2022-10P and recommended approval of Ordinance No. 22-929; and,

WHEREAS, on September 12, 2022, the City Council of the City of Artesia conducted a properly noticed public hearing to consider and introduce this Ordinance and Ordinance No. 22-929; and,

WHEREAS, the City Council finds that the activities permitted under this Ordinance are consistent with and implement the goals and policies of the Artesia General Plan; and,

WHEREAS, the City Council has carefully reviewed and considered all of the evidence presented in connection with the hearing on the Ordinance, including, but not limited to, the staff report, public comment, and all written and oral testimony presented; and,

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ARTESIA DOES ORDAIN AS FOLLOWS:

SECTION 1. Recitals. The City Council hereby finds that the foregoing recitals are true and correct and incorporated herein by this reference as substantive findings of this Ordinance.

SECTION 2. Repeal. Chapter 21 (Commercial Cannabis Activity) of Title 5 (Public Welfare) of the Artesia Municipal Code is hereby repealed in its entirety and deleted from the Artesia Municipal Code.

SECTION 3. CEQA. The City Council finds that this Ordinance not subject to the California Environmental Quality Act ("CEQA") pursuant to State CEQA Guidelines

sections 15060(c)(2) and 15061(b)(3). The activity is not subject to CEQA because it will not result in a direct or reasonably foreseeable indirect physical change in the environment; and the activity is covered by the general rule that CEQA applies only to projects, which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment, the activity is not subject to CEQA. Commercial cannabis uses developed pursuant to Ordinance No. 22-929 would be independently reviewed and evaluated pursuant to CEQA.

SECTION 4. Amendment. Article 8 (Adult Cannabis Businesses and Activities) is hereby added to Chapter 2 (Business Permits and Business Permit Fees) of Title 3 (Finance) to read as follows:

(1) An Applicant seeking to obtain a Commercial Cannabis Permit must submit their complete written application, signed under penalty of perjury, in accordance with this Chapter. The City Manager may establish administrative rules and regulations governing the application, scoring, and review process.

(2) At the time of submitting an application, each Applicant must pay (1) a nonrefundable application fee established by resolution of the City Council to defray the costs incurred by the City in the application, scoring, and review process. The application and fee required under this Section shall be in addition to any other license, permit, or fee required by any other Section or Chapter of this Code; and (2) a refundable deposit as established by resolution of the City Council to allow the City access to additional funds, as necessary, to recover administrative fees and costs associated with processing the application.

(3) After receipt of an application, City staff or designee shall review applications for completeness of the application requirements and general compliance with the City's Municipal Code, including a preliminary zone check to ensure the proposed location of the Cannabis Business is located in an authorized zone, or any other applicable laws and any adopted resolutions or regulations, and shall reject any application that does not meet such requirements. Rejected applications shall not be scored. Notwithstanding the foregoing, in accordance with this Chapter and any adopted resolutions or regulations, the City may allow Applicants to cure insubstantial defects in a defective application.

(i) Applicants are required to complete and pass a comprehensive background check as set forth in this Chapter.

(ii) The Applicant must apply for and obtain a zone clearance (as set forth in this Chapter) from the Artesia Planning and Community Development Department.

(4) Once an application has been deemed complete, the application shall be reviewed, analyzed, and scored.

(i) The City or designee may conduct a quality assurance review of the application prior to submission to the Cannabis Application Review Committee. The reviewer shall be a subject matter expert in cannabis regulation matters with no pecuniary interest in any application. The reviewer or reviewers shall be appointed by the City Manager to review and score each application based on the general criteria defined in this Chapter.

(A) The specific criteria and weighting (points per criteria) for each Permit type will be determined prior to the commencement of the application period and posted publicly.

(B) Each application will be independently scored.

(ii) The Cannabis Application Evaluation Committee shall be composed of at a minimum three individuals with no pecuniary interest in any application. Other criteria for the Evaluation Committee may be adopted by the City Council via Resolution. Members of an Evaluation Committee shall be appointed by the City Manager to review and score each application based on the general criteria identified in this Chapter.

(A) The specific criteria and weighting (points per criteria) for each Permit type will be determined prior to the commencement of the application period and posted publicly.

(B) Each application will be independently scored by the Evaluation Committee members.

(b) The City Manager shall be responsible for developing and proposing objective review criteria, which, at a minimum, demonstrates an applicant's ability to operate safely and in a responsible manner that reflects the needs of the community and needs of the City, and demonstrates an applicant's financial longevity and profitability. The objective review criteria shall be submitted to and approved by the City Council through the adoption of a resolution. The following general criteria shall be used to rank applications, including, without limited to the following:

(1) Previous adult-use retail experience that was subject to state cannabis regulation, or experience in a similarly state-regulated activity (by way of example and not limitation, alcohol sales).

(2) Longevity and profitability in other jurisdictions in which the Applicant operates a Cannabis Business, if applicable.

(3) Community engagement in terms of provision of providing meaningful community benefits.

(4) Incorporating social equity into the Cannabis Business, such as, including, without limitation, providing a living wage, collective bargaining rights, comprehensive employee benefits and trainings, hiring practices ensuring promotion of diversity of employees, inclusionary programs which support a diverse work force, and compliance with local, state, and federal employee non-discrimination policies.

(c) The scores awarded by the Cannabis Application Evaluation Committee shall be totaled and averaged for each Applicant. The Applicants shall then be ranked from highest to lowest based on their final averaged scores. The final scores issued by Evaluation Committee are final. No rescoring of applications will be permitted unless an abuse of discretion is found as set forth in this Chapter.

(d) The top three Applicants that have passed the comprehensive background checks are required to be reviewed and approved for the issuance of a Permit by the City Manager (in this specific instance, the term "City Manager" does not include their designees and is limited to the individual who is actually appointed as the City Manager). Nothing herein requires the City to approve any Permits or to approve the maximum number of Permits. The decision of the City Manager is final, unless appealed as set forth in this Chapter.

(e) Applicants that have received a Permit shall also obtain a license or permit from the State, as well as any other required local licenses or permits from the City (e.g., building permits) or other local agencies (e.g., Los Angeles County Fire Department, Sheriff's Office, or Health Department) prior to operating a Cannabis Business in the City.

(f) Issuance of a Permit under this Chapter is subject to compliance with the California Environmental Quality Act ("CEQA"). Applicants shall be responsible for all costs associated with CEQA compliance, including but not limited to environmental analysis and studies, preparation of the appropriate CEQA document, and City review time of the environmental document.

(g) As a condition to being issued a Permit, within thirty (30) days of being issued a Permit, the Permittee shall enter into a community benefit agreement with the City contractually memorializing the community benefits they shall provide to the City, as noted in their applications. However, Permittees may provide a greater level of community benefit than noted in their applications; whether the benefit is a "greater level" shall be determined by the City in its sole and absolute satisfaction. Implementation of such community benefits shall be required within sixty (60) days of being issued a Permit and shall continue throughout the term of the Permit and any renewal thereof. Such implementation shall be required notwithstanding whether an Applicant is operating or not. An Applicant's or Permittee's failure to abide by the terms of the community benefit agreement shall constitute grounds for suspension or revocation of the Permit, within the City's sole and absolute discretion.

(h) If a Permittee has not opened their respective Cannabis Business and become operational within 12 months of securing City Manager approval of their Permit, all rights to the Permit shall terminate and shall be forfeited. In the sole discretion of the City, upon a showing by Permittee of significant and diligent progress towards opening the Cannabis Business (e.g., evidence demonstrating substantial funds invested into the Cannabis Business opening, applications submitted for any necessary licenses or permits, and/or substantial steps taken towards obtaining all necessary approvals), the City may provide up to two, six-month extensions of time to become operational. Additionally, the City may also provide up to two, six-month extensions of time to become operational, provided that the total time shall not exceed a maximum of two years after the City Manager original approve of the Permit, if there is an ongoing local emergency or *force majeure* that results in substantial delay in processing any of the necessary

approvals for the Permit. For purposes of this Chapter, “force majeure” is an unforeseeable circumstance that was outside of the Permittee’s control that the Permittee could not reasonably anticipate, including, without limitation, acts of God, war, pandemics, and strikes. It does not include issues such as, without limitation, problems with financing. The total time of any extension provided pursuant to this subsection shall not exceed a maximum of two years after the City Manager original approval of the Permit.

(i) Waitlist rule. If any of the issued Permits have terminated and become forfeited as provided in subsection (h) above, the City has the sole and absolute discretion to invite the next ranked Applicant from the most recent screening application process to complete the process (e.g., a background check) toward obtaining a requisite Permit; however, once the maximum number of Permits has been issued by the City, the waitlist shall expire two years thereafter. Once the waitlist Applicant is notified of the right to go through a background check for a vacant Permit, the Applicant shall secure a Permit from the City Manager (in this specific instance, the term “City Manager” does not include their designees and is limited to the individual who is actually appointed as the City Manager) within six (6) months. If the waitlist Applicant fails to secure a Permit within that timeframe, the ability to obtain a Permit shall terminate. Nothing herein requires the City to draw from a waitlist; the City has the sole and absolute discretion to forego a waitlist and re-open the application period to accept new applications at any time.

Further acknowledging that by being selected and qualifying as a top Applicant for a Permit in no way creates any rights in or entitlement to the Permit, which is subject to suspension or revocation as provided in this Chapter.

(c) All interior and exterior building improvements, including façade improvements, shall be reviewed for substantial conformance with the City's design standards prior to issuance of a zone clearance. 3-2.809 Appeals.

Any appeal right provided for in this Chapter must be conducted as set forth in this section. This appeal section does not govern appeals subject to Section 3-5.515 of the Municipal Code.

(a) Submission of Appeal.

(1) An Applicant or Permittee may appeal the decision to suspend, revoke, or deny, or impose conditions upon a Permit, by filing with the City Clerk a written appeal within ten (10) calendar days from the date of service of the notice.

(2) The appeal shall be in writing and signed by the person making the appeal, or the person's legal representative, and shall contain the following:

(i) The name, address, telephone number of the appellant;

(ii) A statement of whether the appellant is an Applicant, Owner or Permittee of a Cannabis Business;

(iii) A true and correct copy of the notice of the decision or action issued that the appellant is appealing.

(iv) A specific statement of all of the reasons and grounds for making the appeal in sufficient detail to enable the hearing officer to understand the nature of the controversy and the basis of the appeal; and

(v) All documents or other evidence pertinent to the appeal that the appellant requests the hearing officer to consider at the hearing.

(3) At the time of filing, the appellant must pay the designated appeal fee, which may be established by resolution of the City Council.

(4) In the event a written appeal is timely filed, the suspension, revocation, denial, or nonrenewal is not effective until a final order has been rendered and issued by the hearing officer.

(5) If no timely, proper written appeal is filed in the event of a decision of denial (i.e. relating to a new application or renewal application), the decision is final. In the event the renewal is denied and no timely, proper written appeal is filed, the Permit, and any associated rights, terminates at the end of the Permit's term.

(6) If no timely, proper written appeal is filed in the event of a suspension or revocation, the decision is final. The suspension or revocation is effective upon the date of the expiration of the period for filing a written notice of appeal.

(7) Failure of the Applicant or Permittee to file a timely and proper appeal, or the requisite fee, is a waiver of the right to appeal the decision and a failure to exhaust all administrative remedies. In this event, the decision is final and binding.

(b) Hearing Procedure.

(1) Administrative hearing officers must be selected in a manner that avoids the potential for pecuniary or other bias.

(2) Upon receipt of the written appeal, the City Clerk, in their sole discretion, shall choose the date and set the matter for a hearing before a hearing officer. Once set, the hearing date shall only be continued upon a written showing for good cause by the requestor. For purposes of this subsection, the term "good cause" shall mean the hearing date must be continued due to circumstances outside of the requestor's control. The appeal must be held within a reasonable time after date of filing. The City must notify the appellant of the date, time, and location of the hearing at least ten calendar days before the date of the hearing.

(3) Upon selection of a hearing officer and date, the City Clerk will submit to the hearing officer the appellant's appeal and documentation, if any. This shall constitute appellant's written submittal to the hearing officer. The City may submit its own written response to the appeal along with any evidence it wishes the hearing officer to consider, if any, at least three (3) calendar days before the hearing.

(4) The hearing officer will preside over the appeal in accordance with the rules of this Chapter. The hearing officer conducts their review of the decision to determine whether there was an abuse of discretion. Abuse of discretion is established if the City has not proceeded in the manner required by law, the decision is not supported by the findings, or the findings are not supported by the evidence. The hearing officer reviews the decision to make sure there is substantial evidence that reasonably supports the decision, is credible, and of solid value. The hearing officer does not substitute their judgment for that of the Evaluation Committee or re-weigh the evidence or rescore the application. If the hearing officer determines that there was an abuse of discretion, the decision shall be deemed cancelled.

(5) The hearing shall be conducted as follows:

(i) No new matter or evidence shall be received or considered by the hearing officer that was not addressed or identified in the appeal unless the appellant can show why such new matter or evidence could not with due diligence have been argued or produced at the time of filing the appeal.

(ii) Appellant bears the burden of proof to establish that the City abused its discretion by issuing the decision.

(iii) At the hearing, the parties may present argument, witnesses and evidence relevant to the decision appealed. Formal rules of evidence and procedure applicable in a court of law shall not apply to the hearing. However, rules of privilege are applicable to the extent they are permitted by law; and irrelevant, collateral, and repetitious evidence may be excluded.

(c) Hearing Officer's Decision.

(1) No later than fifteen calendar days following conclusion of the appeal hearing, and after considering all of the testimony and evidence submitted

at the hearing, the hearing officer will determine whether the issuance of the decision constituted an abuse of discretion.

(2) The hearing officer must issue a written decision containing findings and analysis supporting their decision to uphold or reverse the decision, and any other finding that is relevant or necessary to the subject matter of the appeal.

(3) The decision of the hearing officer is final. The decision must contain the following statement: "The decision of the hearing officer is final. Judicial review of this decision is subject to the time limits set forth in California Code of Civil Procedure Section 1094.6."

(4) A copy of the hearing officer's decision must be served by first class mail on the appellant. Failure of a person to receive a properly addressed hearing officer's decision does not invalidate any action or proceeding by the city pursuant to this Chapter.

3-2.810 Duration of Cannabis Use Permit – Renewal.

(a) All Permits issued pursuant to this Chapter shall expire one year after the date of issuance. The City may as a courtesy send a renewal notice to the Cannabis Business; however, the City is not required to send a renewal notice to any person subject to the provisions of this Section. Failure to send such notice shall not relieve nor excuse the Cannabis Business from complying with its obligations under this Section.

(b) A Permit may be renewed for additional one-year periods upon approval of an application for renewal that complies with all provisions of this Section.

(c) Thirty (30) calendar days before the expiration of the Permit, Permittee must submit an application on a form approved and provided by the City, and must include the following:

- (1) All information required on the renewal application form;
- (2) Documentation evidencing that the Permittee has paid all applicable taxes and fees, including any taxes and fees set forth in Title 3;
- (3) The renewal fee as established by the City Council through adoption by resolution; and,
- (4) Sign a declaration, in a form provided by the Tax Collector, which declaration complies with the requirements of Section 3700 of the Labor Code.

(d) The renewal application may be denied if any of the following circumstances exists:

- (1) The renewal application is not filed at least thirty (30) days before the expiration of the Permit;
- (2) Permittee did not properly submit a renewal fee;
- (3) Permittee has failed to conform to the requirements of this Chapter or any regulations adopted pursuant to this Chapter; or,
- (4) Permittee does not possess a valid license or permit from the State of California, if required by law.

(e) The City Manager is authorized to make all decisions concerning applications for renewal. The City Manager may impose additional conditions on a renewed Permit if the City Manager determines it is necessary to ensure

compliance with (1) State laws; (2) the City's Municipal Code and regulations; or (3) to preserve and protect the public health, safety, or welfare.

(f) If the City Manager denies a renewal application, the City Manager must make written findings which set forth the reasons supporting a denial.

(g) The decision of the City Manager is final, unless appealed as set forth in this Chapter.

3-2.811 Assignment of Permit.

(a) The assignment of or attempt to assign any Permit issued pursuant to this Chapter is unlawful until a Permittee has been in continual operation for four years, and any such assignment or attempt to assign a Permit before that time shall render the Permit null and void, unless approved by the City Manager, or by variance as outlined in subsections (b) and (c) below. Assignment shall be defined as a cumulative sale or transfer of fifty-one percent or more equity interest in the permitted entity. For permissible transfers of ownership before or during the four-year period, the Owners shall maintain a comparable level of cannabis experience as conveyed in the Permittee's application. The City Manager shall review changes in the level of the Owners' cannabis experience, and may approve the changes. After the four years of continual operation, assignment is permitted; provided however that any such assignment that exceeds ninety percent of interest in the permitted entity shall require review by the City Manager to ensure maintenance of the same standard of operation.

(b) Assignments prior to compliance with the required four years of continual operation may be approved by the City Manager in the event of the death, disability, marriage, divorce, or domestic partnership of one of the Owners named on the Permittee's application. The City Manager shall review these requested assignments to ensure maintenance of the same standard of operation and may approve the changes.

(c) Variance Process. Notwithstanding the above, a Permittee may apply to the Planning Department for approval of a prohibited assignment not to exceed a cumulative assignment or transfer of up to eighty-five percent of interest in the Permit for the first two years of continual operation, and one hundred percent cumulative assignment or transfer after two years of continual operation, or as otherwise allowed by this Chapter. Following a public hearing on the proposed assignment or transfer, the City Manager may approve the request if it finds that:

- (1) The same standard of business operation will be maintained;
- (2) The ownership shall maintain a comparable level of cannabis experience as conveyed in the Permittee's application;
- (3) The assignment would promote the public interest and maintain the integrity of the City's Commercial Cannabis Permit application scoring and licensing process; and
- (4) The findings that supported issuance of the Permit can still be made, including requiring any new Owner to pass the comprehensive background check as set forth in this Chapter.

(d) The decisions of the City Manager are final.

(e) Merger or Consolidation with Publicly Traded Companies. With the understanding that publicly traded companies have notably different regulations, operational structure, and ownership structure, compared to privately held companies, the merger into, consolidation with, or transfer of ownership to a publicly traded company shall not be considered a prohibited assignment of a Permit under this section as long as the following conditions are met:

(1) At the time the merger, consolidation, or transfer occurs, the Permit Owners listed on the Permit or application, whichever is most recent ("Permit Owners"), prior to the merger, consolidation, or transfer shall be required to hold at least three and one-half percent of the shares of the publicly traded company.

(2) The Permit Owners prior to the merger, consolidation, or transfer shall be substantially involved in the operations of the company for the first four years of continual operation, unless authorized through the variance process above in subsection (c).

(3) At the time the merger, consolidation, or transfer occurs, at least one of the Permit Owners prior to the merger, consolidation, or transfer shall hold a seat on the board of directors of the publicly traded company. If that board member steps down or is no longer a member of the board of directors, the company shall notify the City Manager of this change, and to the extent possible, one of the other Permit Owners prior to the merger, consolidation, or transfer shall be appointed to the board of directors.

(4) After merger, consolidation, or transfer, the Cannabis Business shall continue to adhere to the business plan, security plan, and design concept sections included in the applicable application for the Permit.

(5) After merger, consolidation, or transfer, the branding of the Cannabis Business, including the name of the business as it operates in the City, shall be required to be the same as identified in the applicable application for the Permit. At no time, unless after four years of continual operation, and unless approved by City Manager, shall the branding, including the name of the Cannabis Business, be allowed to deviate from what was identified in the application for the Permit.

(6) Documentation of the satisfaction of the above-referenced conditions shall be provided to the City when the change occurs. If the change occurs prior to the issuance of a Permit, documentation of the satisfaction of the above-referenced conditions shall be provided at the time a Permit is applied for.

(7) No Permittee shall operate, conduct, manage, engage in, or carry on a Cannabis Business under any name other than the name of the Cannabis Business specified in the permit and/or any "doing business as" or "DBA" provided in the permit application, unless specified in this Chapter.

(f) All assignments under this Section shall be subject to a non-refundable assignment fee adopted by the City Council by resolution. The fee shall be sufficient to defray the costs incurred by the City for the application and reviewing process.

3-2.812 Noncompliance Prohibited.

(a) No person or entity shall dispense, distribute, sell, convey, exchange or give away cannabis in the City except in compliance with the provisions of this Chapter. Dispensing, distributing, selling, conveying, exchanging or giving away cannabis in the City without a Commercial Cannabis Permit is a misdemeanor punishable as provided in Section 1-02.01 of this Code. Nothing in this Chapter shall be interpreted to conflict with state law, including, without limitation, the Compassionate Use Act, the Control, Regulate, and Tax Adult Use of Marijuana Act (AUMA) and the Medicinal and Adult Use Cannabis Regulation Safety Act (MAUCRSA), as may be amended, and the rights granted to individuals for the adult-use and medical-use of cannabis under these state laws.

(b) Failure of a Permittee to pay applicable taxes and fees and comply with all applicable procedures and requirements as set forth in this Chapter and Article 3 of the Municipal Code, including but not limited to the Cannabis Business

Tax set forth in Article 5 of Chapter 5 of Title 3, shall be grounds for revocation of the Permit.

(c) A person twenty-one (21) years of age or older is not prohibited from (1) possessing, processing, purchasing, transporting, obtaining or giving away to persons twenty-one (21) years of age or older, without compensation whatsoever, not more than twenty-eight and one-half (28.5) grams of marijuana not in the form of concentrated cannabis or up to eight (8) grams in the form of concentrated cannabis; (2) smoking or ingesting marijuana or marijuana products; or (3) possessing, transporting, purchasing, obtaining, using, manufacturing or giving away marijuana accessories to persons twenty-one (21) years of age or older, without compensation whatsoever, to the extent that such activities are authorized by Health and Safety Code Sections 11362.1 and 11362.2.

3-2.813 Adoption of Rules and Regulations – Violations.

The City Manager has the authority to administer and enforce the provisions of Chapter and may administratively establish rules and guidelines implement and interpret this Chapter. The City Council may amend by resolution the number of Permits authorized to operate within the City. Violation of rules and regulations shall, in addition to any other remedies contained in this Code, constitute a misdemeanor and shall be punishable as set forth in subsection (a) of Section 1-2.01 of this Code. Any person violating any of the rules and regulations adopted by the City shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of the rules and regulations is committed, continued, or permitted.

3-2.814 State Licenses and Permits Required.

A Permittee operating under this Chapter shall at all times while operating have a current, valid state license or permit for any and all activity which requires a state license or permit under state law, including, without limitation, a seller's license or permit from the State Board of Equalization. The Permittee shall post its state license or permit in a conspicuous place. Failure to maintain and post a current, valid state license or permit is grounds for revocation of a Permit under this Chapter.

The City Council may adopt fees related to Permits via resolution.

3-2.816 Service Requirements.

Except as otherwise provided, any notice required to be served on an Applicant or Permittee under this Chapter must be completed by either personal delivery or first class mail. Service by mail is deemed complete at the time of deposit in the mail. Any notice issued to an Applicant or Permittee may be sent to the mailing address as listed on the Application submitted to the city. Failure of any Applicant or Permittee to receive a properly-addressed notice by mail shall not invalidate any action, decision, determination, or proceeding under this Chapter.

3-2.817 Indoor Cultivation.

(a) The indoor cultivation of six (6) or fewer live marijuana plants within a single private residence or inside an accessory structure located upon the grounds of a private residence that is fully enclosed and secured is permissible, to the extent such cultivation is authorized by Health and Safety Code Sections 11362.1 and 11362.2.

(b) It is hereby declared to be a public nuisance for any person owning, leasing, occupying or having charge or possession of any real property in the City to cause or allow such real property to be used for the cultivation of marijuana indoors, except in strict compliance with Health and Safety Code Sections

The City Council of the City of Artesia declares that it would have adopted all the provisions of this Ordinance that remain valid if any provisions of this ordinance are declared invalid.
