FOR IMMEDIATE RELEASE

City Offers Exclusive Opportunity for Special Needs Individuals at Artesia Snow Day

On Saturday, December 15, the City of Artesia will welcome the public to Artesia Snow Day at Artesia Park! In a continued effort to make City events inclusive and accessible to all members of the community, the City is offering a behind-the-scenes look at the event for individuals with special needs, as well as an opportunity to play before the event opens to the general public.

At noon, before Artesia Snow Day opens to the public, individuals with special needs can join the City and watch preparations for the event. Not only can they watch the snow being put down, but special needs individuals will also have the chance to play in the snow beginning at 12:45 PM – 15 minutes before the event opens to the wider community.

The City is excited to offer this opportunity as part of its efforts to make City events more inclusive. At the October City Council meeting, the City began offering designated seating for special needs individuals, and will continue to do so at all City meetings in the future. Additionally, the City will offer early access to events for special needs individuals, beginning with Artesia Snow Day.

Artesia Snow Day will take place at Artesia Park on Saturday, December 15, from 1:00 PM – 4:00 PM. Artesia Park is located at 18750 Clarkdale Avenue in Artesia. Residents can enjoy hot cocoa, sweet treats, holiday music, and a photo setting in addition to the snow at this family friendly event.

###

Located in southeast Los Angeles County, Artesia is a diverse, vibrant city with nearly 18,000 residents and a dynamic business community. The City of Artesia, a leader in sustainability practices and winner of two 2018 Beacon Spotlight awards, is focused on serving the community with sound governance, 21st century infrastructure, and a commitment to public safety.
